Hardwoods & Millshop

COVID 19 RESPONSE

Due to Governor Scott's declaration of "stay safe, stay home" our store is closed for in-person shopping for the time being. We will be taking call-in orders during the hours of 8-5 M-F. Please call (802)497-3530 to place an order.

We will do our best to pull the nicest material we have that will work for your needs, so please be specific!

Your order can be picked up curbside at the shop or we are happy to deliver orders of \$150+ with no charge to addresses within Chittenden County. Payments will be accepted by credit card over the phone or charged to your account after your order is pulled.

Thank you for your business and we hope you stay healthy!
